Dear Sir/Madam,

RE: EXPRESSION OF INTEREST – LOGISTICS & TRANSPORT PROFESSIONAL

I am writing to express my interest in joining your organization in roles related to logistics, transport operations, and fleet management, particularly in Transport Officer Positions.

My name is William Magai Joshua, a graduate of Logistics and Transport Management from the Tanzania National Institute of Transport (NIT). I have over six years of experience in public service, currently working as a Division Officer.

In my current role, I have been involved in coordinating daily operations and supervising field activities to ensure services are delivered effectively. This experience has helped me develop strong organizational skills, attention to detail, and the ability to work with people from different backgrounds.

I have a strong interest in applying my academic background in transport and logistics in a more specialized role. I am especially interested in supporting efficient transport and logistics operations in your Organization.

I would appreciate the opportunity to be considered for any suitable current or future openings within your organization. Please find my CV attached for your review.

Thank you for your time and consideration.

Yours faithfully,

William Magai Joshua
